

## Smart site safety solution

Prof. Jack CHENG  
Co-Founder, Advisor

Issac LEUNG  
Co-Founder, CEO

Alexander ZHOU  
Co-Founder, COO

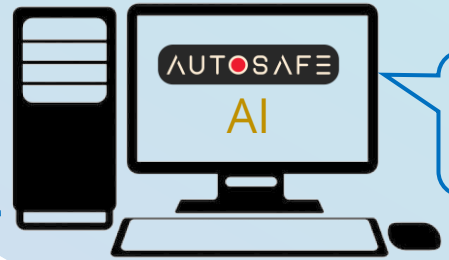

Peter WONG  
Co-Founder, CTO

CCTV on-site monitoring the site

Video footages

0 workers did not wear safety helmet  
2 workers is in potential collision  
1 worker is at unauthorized zone  
⋮  
⋮

The logged down info can be uploaded to cloud and can integrate with DWSS system. And **safety performance analysis** can be carried out.

Promotion of PAS 1192-6

Administrative & Educational

Different feedback mechanisms, such as Whatsapp/Telegram message, email alert

Preventive & Deterrent controls

With our **AutosafeAI**, we can detect some safety related activity / warning and log it down **automatically**
